STAMPING GROUND.

Mr. J. W. Jameson, of the Stamping Ground bank, attended the meeting of bank officers in Frankfort, Saturday, who are arranging to defend the suits instituted by Auditor's Agent Lucas, of Paducah.

M. Joe Webber has rented the Murphy farm, on the Elmvale pike, and has moved there with his family.

Dr. A. Stewart has moved his office to the Coleman Hotel from the drug store. He is located on the second floor.

The remains of Mr. Geo. W. McCoy, who died at the asylum in Lexington, were brought home for interment.

At the sale of Mr. W. O. Calvert, on Saturday, good prices were realized. Horses brought from \$90 to \$100; cows from \$25.50 to \$31; sows and pigs \$16; heifers \$15; yearling steers \$18.

We had almost a water spout throughout this section, on Friday night last. The streams were all out of their banks and considerable damage was done.

Winter resumed its "linger in the lap of spring" (naughty old boy) on Sunday, the thermometer dropping to 26 degrees, and spitting snow most of the day.

Mr. W. B. Arnold expects soon to go to Illinois to live with his family, he having accepted a good position. We will lose a good citizen and clean man.

We regret to see that the correspondent of the Georgetown Times, in his notice of Mr. Arnold, adds this: "For although Jake is a Republican, he is a clean one and a good citizen." What has a man's politics to do with his being a gentleman? He who bounds his friendship by his politics, is too narrow to be a good citizen. This is a free country and can only remain so by there being divisions upon political lines, and men can honestly differ and yet be warm friends. Those we love best we have differed from all our life.

Mr. Geo. Talbott leaves this week for Huntington, Ark., to take place in a bank there.

Mr. Clark P. Roberts, of Owen county, will take the position in the Citizen's Bank, vacated by Mr. Geo. Talbott. Mr. T. L. Southworth, also of Owen county, will be employed in the same bank.

We regret to learn that Mr. Carleton L. Thomason, of whose dangerous illness we made mention last week, died at the home of his parents in Frankfort, on Saturday.

Mr. Cyrus T. Duvall and bride will soon go to housekeeping on their farm on the Elmvale road.

UNO.

BUYS A FINE HORSE.

Dr. Crutchfield, of Henry county, on Tuesday, purchased of Mr. T. J. Simmons a hand one harness horse for \$200. Mr. Simmons has several fine horses, and can sell them for good prices at any time.

ANOTHER SAD DEATH.

Our whole community was shocked on Wednesday morning, when the news flew from mouth to mouth that Mrs. Mattie Jones Ward, the young wife of Mr. Ben Ward (and eldest daughter of Mr. Jno. L. Jones and wife), had died that morning of peritonitis, after a few days illness.

Mrs. Ward was married to Mr. Ward on the 14th of January last.

She was one of the purest and best young women who ever lived in this city, a devoted and earnest Christian (a member of the Methodist Church), a loving and thoughtful daughter, an affectionate and self-sacrificing wife.

Her whole life has been one of thoughtfulness for the comfort and happiness of others and of self-denial and unselfish endeavor.

To the stricken husband and mother, father, brother and sisters, left behind, we tender our sincerest condolences.

The funeral services will be conducted by her pastor, Rev. C. J. Nugent, to-day, and the remains will be laid away in our cemetery.

FEAST OF PASSOVER.

The Feast of the Passover is being celebrated by our Hebrew citizens this week, commencing on Wednesday. All shades of opinion observe this solemn festival.

ARRESTED.

On Wednesday last, U. S. Deputy Marshal Rousseau True arrested one Robert Duncan, in Lexington, charged with passing counterfeit money. Duncan was lodged in jail to await trial at the U. S. Court, in Richmond.

"DO IT TO-DAY."

The time-worn injunction, "Never put off 'till to-morrow what you can do to-day," is now generally presented in this form: "Do it to-day!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it to-day—and let that remedy be Dr. Boschee's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists. 1 yr.

GRACE CHURCH.

We clip the following, which will be good news for the many friends of Rev. R. L. McCready:

The rector, vestry, and people of Grace Church, Avondale, are congratulating themselves upon the acceptance by the Rev. R. L. Harris, of St. Paul's Church, Newport, Ky., of the call to be Associate in the work of that parish, believing that it means a new chapter in the history of the work and a great impetus to its growth and development.

When the present rector, the Rev. R. L. McCready, took charge, January, 1903, he found the people much disheartened and plans for the enlargement of the church building undertaken just before the resignation of his predecessor abandoned in despair, but notwithstanding this discouraging beginning, the past year has been one of the most prosperous in the history of the parish. All obligations have been met, the parish house and choir rooms of the church have been improved and enlarged, a rectory has been purchased, and the congregation for the first time in its history (and one of very few in the diocese) has met its full apportionment, not only for Diocesan but also for General Missions.

When in December last, the rector received a call to an important charge in the South, he announced as a condition of his remaining in Avondale, the extension and enlargement of the work of the parish. During the year a flourishing industrial school of one hundred pupils and other similar work had been begun, which opened a field for effort not hitherto touched, and which gave promise of great usefulness if properly developed.

In compliance with the request, the vestry at once, and most enthusiastically, made personal subscriptions toward the "Expansion Fund" of \$1,000 per annum for three years, and the raising of a like amount was guaranteed on the part of the congregation. The intention is to reorganize the work on thoroughly modern lines, especially the Sunday-school, the young men's and boys' organizations, and to make a strong effort to gather to the Church the rapidly increasing population of Avondale, and it is for this purpose that Mr. Harris, who has been signally successful along these lines as demonstrated in his work at St. Paul's, Newport, Ky., has been called as co-laborer with the present rector.

Mr. Harris began his work in Avondale March 1st, and preached Sunday, the 6th inst., at 4:30 o'clock, one of the special series of Lenten sermons being delivered on Sunday afternoon; subject, "The Church and Its Members." Recently the Men's Club, of Grace Church, tendered him a most successful banquet, at which addresses were made by the rector, the officers of the club, and also by Rev. Dr. Charles F. Goss, vice mayor; H. L. Gordon, General Lewis Seabrook, and others.

"The way to a man's heart is through his stomach," an old saying, meaning that to win a man you must feed him well.

If this is not true, it is still true in another sense that the way to a man's heart is through his stomach. Many persons imagine that they have heart disease when it is only indigestion.

This is how it comes about. The stomach distended by gas crowds the heart and gives the feeling that the trouble is in the heart.

If you don't know that you have heart trouble, try using Walther's Peptonized Port and see if it does not relieve you. For sale by J. W. Gayle.

Small size 50 cents, large size \$1.

THROAT SORE?

There's no telling what a sore throat will do if you give it "right of way." Uncertain remedies often cause dangerous delay. Make a cure sure with Painkiller, known for half a century as a specific for sore throat, croup, coughs, and all kindred troubles. Keep it by you for an emergency. It never fails. Avoid substitutes, there is but one Painkiller, Perry Davis. 25 and 50c.
